We look forward to seeing you at our downtown Lynchburg office. If you need further assistance prior to your visit, just give us a call.

From 29 North, take the Main Street exit. During construction on Main Street, you will use Commerce Street to get to 8th Street. Take a left turn at 8th Street and proceed until it dead-ends into Church Street. Take a left onto Church and an immediate left into our parking garage. Proceed up the ramp to the roof and use spots 29, 30 or 38-41.

While Main Street is under construction, access our parking garage from the **Church St. side at 8th Street**, where visitors may enter and exit the garage.

**Park on the roof at signage showing the spot is reserved for Gentry Locke clients and visitors.** Please call 434.455.9940 for more detailed instruction or if you require any special accommodation.
