# Welcome to the Gentry Locke Seminar

NOW in two cities on two different dates!

For over 25 years, we've been delighted to provide high quality CLEs to our friends and colleagues from across a multi-state area. Historically, the seminar was held in Roanoke. This year, we are excited to announce we are expanding our seminar to Richmond.

With two locations on two different dates, we will highlight important subjects that we hope will appeal to a wider audience across the Commonwealth and beyond. Our two seminars are not identical, but you will see some overlap and a slight difference in credit hours. The full schedule for each seminar is described in the brochure.

We are thankful for your friendship and professional connections with our firm. As this is a networking event, we hope you'll be able to join us in person on September 16th in Roanoke or September 28th in Richmond.

Yours truly,
