

METROPOLIS PARKING

A Step-by-Step Guide BEFORE YOU ARRIVE

Getting started with Metropolis is as easy as **1-2-3!** Signing up before your visit ensures you can simply **drive-in, and drive-out**. **No lines, no hassle**. Just follow these simple steps to set up your account and enjoy a truly seamless parking experience!

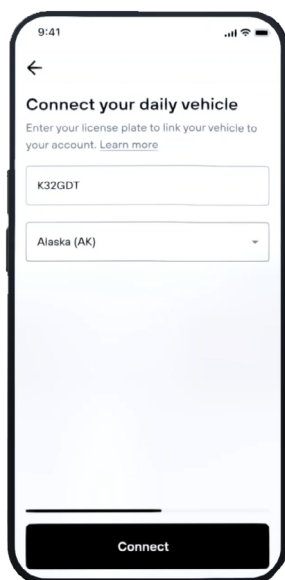

To begin, visit app.metropolis.io/join or download the [Metropolis iOS app](#).

Step 1

A smartphone screen showing the registration step. The text says "Enter your mobile number to sign up or sign in." There is a text input field with a US flag icon and the number "+1 (212) 123-3232". Below the input field is a "Next" button with a right arrow. At the bottom is a numeric keypad with letters assigned to numbers (1-9, 0, and a backspace icon).

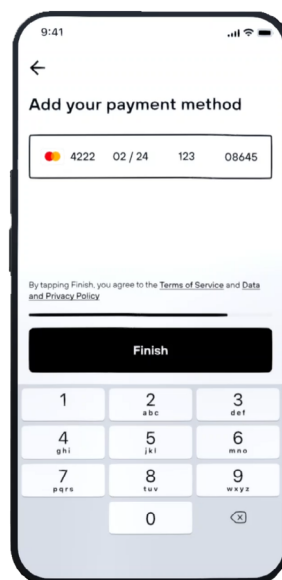

Enter your **mobile number** to sign up or sign in.

Step 2

A smartphone screen showing the vehicle connection step. The text says "Connect your daily vehicle" and "Enter your license plate to link your vehicle to your account. Learn more". There is a text input field containing "K32GDT" and a dropdown menu showing "Alaska (AK)". At the bottom is a "Connect" button.

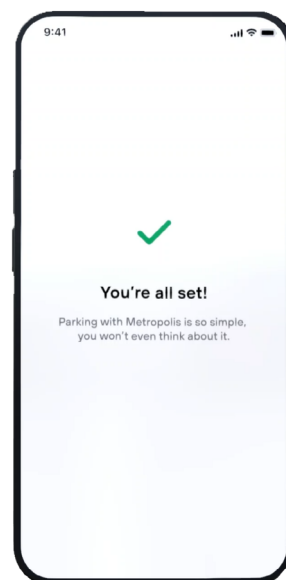

Connect your daily vehicle to your account by entering your **license plate number**.

Step 3

A smartphone screen showing the payment method step. The text says "Add your payment method". There is a card input field showing a Visa card with number "4222 02 / 24 123 08645". Below the input field is a "Finish" button. At the bottom is a numeric keypad with letters assigned to numbers (1-9, 0, and a backspace icon).

Add your preferred **payment method**.

Done!

A smartphone screen showing the completion step. A large green checkmark is at the top. The text says "You're all set!" and "Parking with Metropolis is so simple, you won't even think about it."

You're all set!
Now you can simply **drive-in & drive-out!**
